NON-RESPONSIVE ACTION

The timely submission to the *Ex parte Quayle* action filed on 13 January 2006 is not fully responsive to the prior office action because it did not cancel the restricted claims as requested, but instead attempted to amend the restricted claims after prosecution of the claims on the merits had been closed; since the newly amended claims are NOT of the same scope as the claims indicated as allowable over the art of record in the previous action, this appears to be an attempt to reopen prosecution on the merits.

Since the submission appears to be a *bona fide* attempt to provide a complete reply to the prior Office action, applicant is given a shortened statutory period of ONE MONTH or THIRTY DAYS from the mailing date of this letter, whichever is longer, to submit a complete reply. This shortened statutory period supersedes the time period set in the prior Office action. This time period may be extended pursuant to 37 CFR 1.136(a). If a notice of appeal and the fee set forth in 37 CFR 1.17(e) were filed prior to or with the payment of the fee set forth in 37 CFR 1.17(r), the payment of the fee set forth in 37 CFR 1.17(r) by applicant is construed as a request to dismiss the appeal and to continue prosecution under 37 CFR 1.129(a).
